FOR IMMEDIATE RELEASE

Dear Friends:

If you know of any young ladies who have an interest in Math and/or Science, please forward the following information. This summer, my nephew attended a CSI camp at MTSU that was very informative. I have no doubt this camp will be just as beneficial.

### **Girls in grades 5 – 8**

Openings remain for girls in grades 5 - 8 to register online to attend the 11<sup>th</sup> annual Expanding Your Horizons in Math and Science (EYH). EYH will be held from 8 a.m. to 3 p.m. Saturday, October 27, at sites across the MTSU campus. About 100 openings remain for the girls in grade 5 – 8. There is a \$12 registration fee, but scholarships are available.

To register, visit [mtsu.edu/~eyh](http://mtsu.edu/~eyh). For more information about the girls in grades 5 – 8, call Dr. Rebecca Zijlstra at (615) 898-5776.

### **Girls in High School**

For the first time, high school girls will participate with a separate EYH event. As of Sept 24, about 20 openings remained. Their registration fee is \$15.

To register, visit [mtsu.edu/~eyh](http://mtsu.edu/~eyh). For more information about the high school girls, call Karen Claud at (615) 504-8587.

Sincerely,

Representative Donna Rowland
