Dear Friends:

I ran across the following program that may interest you, especially if you provide community services or are a hunter.

## HUNTERS FOR THE HUNGRY

Each year, various processors throughout the state, team up with local HFTH chapters to accept and process excess venison to help in the fight to end hunger. In addition to taking full deer donations, many processors have freezers o accept a pound or pack - call ahead to find out.

For more information regarding this program, contact the following:
