FOR IMMEDIATE RELEASE

Dear Friends:

What we do today, right now, will have an accumulated effect on all our tomorrows. In the morning ask yourself "What good shall I do today?" As the day draws to close ask yourself "What good have I done today?" On May 31st you can answer both questions by saying I helped my friend battle cancer and I had a wonderful time.

For each of us the "friend" is a different person. For me, the "friend" is my best friend, Mary as well as my grandmother, Frances (still going strong at 84). While I was not there with Mary in her early years as she battled her fight I am very grateful that she was victorious and was there holding my hand as I received my news.

So I invite you to come have a wonderful time as we "do some good" on May 31st. Let us celebrate those victorious and provide the support for the victories to come.

See you on the dance floor!

Donna
